**Please respect my time and do not share this tutorial as your own.**

1. Cut a 4-3/4" x 8-1/2" piece of cardstock
2. Score in portrait orientation at 1"
3. Place the opposite long side in your Gift Bag Punch Board.
4. Punch and score using the score line for the side.
5. Move the cardstock.
6. Repeat Step 4
7. Trace the triangle and the score line with it.
8. Move the cardstock.
9. Repeat Step 4
10. Move the cardstock.
11. Repeat Step 4
12. Repeat Step 7
13. Turn the cardstock 180°
14. Punch and score using the side line (only) all the way across this edge (creates 4 tabs)
15. Cut away excess top and bottom pieces from the side tab.
16. Cut away three of the 1" tabs leaving the one farthest from the side tab.
17. Use your bone folder to slightly soften the cardstock on the remaining tab.
18. Add adhesive and assemble the box.
19. Tuck the single tab in to close the box.
20. Adhere a 1-3/4" x 1-3/4" piece of designer paper.
