## Bubble Over Tabs for Everything Card

1. Cut Berry Burst cardstock: 5-1/2" x 8-1/2" and score at 4-1/4"
2. Cut Mint Macaron cardstock: 4" x 5-1/4"
3. Cut Share What You Love specialty designer paper: 3-7/8" x 5-1/8"
4. Wrap Mint Macaron Nature's Twine around the designer paper and tie a bow with a 4" piece Silver Mini Sequin Trim tucked in.
5. Adhere the designer paper to the Mint Macaron layer with Multipurpose Liquid Glue. Then attach this layer to the base with Dimensionals.
6. Adhere a Pearlized Doily with Multipurpose Adhesive.
7. Stamp the "thank you" from Bubble Over in Berry Burst. Stamp the "you're wonderful" from Tabs for Everything in Mint Macaron. I used the Stamparatus® to line this up.
8. Using the Bottle and Bubbles Framelits, cut: a large Berry Burst bottle; a small Mint Macaron bottle; 2 Silver Foil bottle caps; 2 large tags from Silver Foil; 2 small tags with the sentiments.

9. Apply a coating of glue from the Fine Tip Glue Pen to each of the bottles to give a glossy, raised appearance. Leave to dry.

**Tips:** By not going all the way to the edges, you get a more dimensional look. Squeezing the glue out at an angle results in few to no bubbles in the glue. If you do get bubbles, use a Stampin' Spritzer filled with alcohol and lightly mist. The bubbles will disappear.

10. Adhere the sentiment tag pieces together with Multipurpose Liquid Glue.
11. Adhere the tags to the dry bottles with a little Fine Tip Glue Pen.
12. Adhere the bottles to the card with Dimensionals.
13. Add Frosted Epoxy Droplets to finish.
