## *Easter Chick Favor*

1. Cut Daffodil Delight: 4-1/2" x 5-1/2", 1-1/2" x 4"
2. Place the Daffodil Delight in your Stamparatus® and stamp with Buffalo Check in Daffodil Delight
3. Use your Bone Folder to soften the fibers in the cardstock so that there is a gentle curve in landscape.
4. Add Tear and Tape to one short side and fold together. Burnish the taped seam.
5. Add Multipurpose Liquid to one opening and fold together (leave the other opening open for now).
6. Use the Hop Around Framelits to cut 2 lily pieces in Daffodil Delight and 2 in Mango Melody. Adhere the Daffodil Delight lilies to either side of the top of the head.
7. Use the Cookie Cutter Builder Punch to cut two eyes from Basic Black. Adhere to either side of the head with Multipurpose Glue.
8. Place the Daffodil Delight strip into the Butterfly Duet Punch just past the middle of the large butterfly. Cut two pieces this size. Fold the body piece over and adhere the wings to the container with Multipurpose Liquid Glue.
