Bloom and Grow with Faux Oxide Ink Technique

1. Cut Thick Whisper White: 5-1/2" x 8-1/2" and score at 4-1/4"
2. Cut Basic Black: 4-1/16" x 5-5/16"
3. Cut Whisper White: 4" x 5-1/4"
4. Use the Wild Rose dies to cut the flower, sprig and leaves from Basic Black. Set aside.
5. Use the number 6 Stitched Nested Labels die to cut a longer label from a 1-3/4" x 3-3/4" piece of Basic Black. To do this, place the cutting plate so that it does not cover one angled end of the die. Pass through the machine. Move the die and align with previous cut. Place the cutting plate so that it does not cover the already cut portion. Run through the machine. Die chart [HERE](#)
6. Use Daffodil Delight, Calypso Coral, Coastal Cabana and Gorgeous Grape for the Faux Oxide Ink Technique on the Whisper White panel. Video [HERE](#)

7. Splatter with water using the tube inside your Stampin' Spritzer. Use your Heat Tool to dry the panel.
8. Ink the floral spray from Bloom and Grow in Memento Ink and stamp it twice on the Faux Oxide panel. **Tip:** Use the Stamparatus® and just flip the panel 180°
9. Stamp the sentiment on the label from Step 5 in Versmark and heat emboss in White.
10. Adhere the die cut floral elements to the panel with Multipurpose Liquid Glue.
11. Adhere the sentiment label with Dimensionals.
12. Splatter with Staz On Ink Refill. **Tip:** Pour a drop or two of ink refill on a slick surface (I used a torn off strip from my Mini Glue Dots), then splatter with an old paint brush. Clean the brush with Staz On Cleaner.
13. Use your Dark Basic Black Blends to color Rhinestones and adhere.
14. Adhere the focal panel to the Basic Black mat with Multipurpose Liquid Glue.
15. Adhere the matted panel to the card base with Multipurpose Glue.
16. Enjoy!
