5. Unscrew the pump from your Stampin' Spritzer and flick water from the feeder tube onto the background. White "distress" spots will appear. **Tip:** Using the Spritzer tube will give you larger splatter. Use your Heat Tool to dry the splatter.
6. Using the large flower from Good Morning Magnolia, stamp in Basic Gray on the Faux Oxidized background. If desired, use the Stamparatus®. Once stamped, trim the panel to 4" x 5-1/4"
7. Using the stitched tag in the Wild Rose dies, cut a piece of Shimmery White cardstock.
8. Using the Hand Lettered Prose dies, cut an "h" and an "i" from Basic Gray.
9. Adhere the magnolia panel to the Coastal Cabana mat with Multipurpose Glue.
10. Adhere the layered piece to the card base with Multipurpose Glue.
11. Cut a 6" strip of Granny Apple Green Textured Weave Ribbon. Angle cut the ends. Fold in half with a Glue Dot between the halves. Adhere the ribbon with a Mini Glue Dot.
12. Adhere the "h" and "i" to the stitched tag with Multipurpose Glue. **Tip:** The Take Your Pick Tool helps when adhering these pieces.
13. Add loops of Silver Metallic Thread over the ribbon with a Glue Dot.
14. Adhere the tag with Dimensionals. Then trim the overhang using the bottom of the card as a guide.
15. Accent with Frosted Epoxy Droplets.
16. Enjoy!
