Christmas Gleaming with Pressed Petals Card

1. Cut Thick Very Vanilla: 5-1/2" x 8-1/2" and score at 4-1/4"
2. Cut Pressed Petals Specialty Designer Paper: 4" x 5-1/4"
3. Adhere the designer paper to the card base with Multipurpose Liquid Glue.
4. Use the oval Heirloom Frames die to cut a piece of Pressed Petals designer paper and a piece of Early Espresso. Adhere the two frames together with Multipurpose Glue.
5. Using your Stamparatus, stamp one large ornament from Christmas Gleaming on Very Vanilla in Blushing Bride. Then color it with Dark and Light Rococo Rose Stampin' Blends. Ink the stamp again with Versamark and stamp over the colored ornament. Then heat emboss in gold. **Tip:** Coloring before embossing keeps you from fouling the tips of your Stampin' Blends.
6. Repeat with the second large ornament from Christmas Gleaming.
7. Stamp a third large ornament in Versamark on Very Vanilla and heat emboss in gold. Do not color this ornament.

8. Using the splatter stamp from Christmas Gleaming, stamp a random pattern of splatters in Versamark. Then heat emboss in gold.
9. Adhere the frame with Dimensionals and tuck the large uncolored ornament under the edge, adhering with Multipurpose Glue.
10. Adhere the remaining two ornaments with a combination of Multipurpose Glue and Dimensionals.
11. Tie a bow with Rococo Rose Scalloped Linen Ribbon. Do not pull tight, yet. **Tip:** You will need to twist the ribbon as you tie it to keep the “good” side up.
12. Using tweezers, pull the end of a Scalloped Lace Trim bow through the center loop of the Rococo Rose bow from Step 10.
13. Use tweezers to pull a length of Braided Linen Trim through the center loop of the Step 10 bow. Then use edge of your Bone Folder and pull it along the trim to curl it.
14. Trim the gold edges off a 4” strip of Gold Metallic Edge Ribbon. Pull the gold strips through the center loop. Then tuck in a Mini Glue Dot to secure the pieces. Finish tightening the bow from Step 10.
15. Adhere the lavish bow you’ve created with Mini Glue Dots.
16. Address the envelope and set it aside to send in late November.
