## Harvest Hellos a la Warhol Card

1. Cut Granny Apple Green: 5-1/2" x 8-1/2" and score at 4-1/4"
2. Cut Fluid 100 Watercolor Paper: 4" x 5-1/4"
3. Cut Whisper White: 4" x 5-1/4"
4. Adhere the Whisper White panel to the inside of the card base with Multipurpose Glue.
5. Lightly mark your watercolor panel with pencil to divide it into four sections. Then stamp the pumpkin in each section in Versamark and heat emboss with Clear Stampin' Emboss Powder.  
**Tip:** I used the Stamparatus to make sure that my pumpkins were straight and evenly spaced.
6. Use your Aqua Painter to brush the sections clockwise from top left: Coastal Cabana, Terracotta Tile, Granny Apple Green and Flirty Flamingo. **Tip:** I let each color dry before adding the next

color to keep from saturating the watercolor paper and possibly having colors run. Remember color can run *under* the embossed image if you get your paper too wet. Better to let dry and add more color later to deepen the shade.

7. Stamp the sentiment from Harvest Hellos in Versamark on a scrap of Basic Black and heat emboss with White Stampin' Emboss Powder.
8. Cut out the sentiment with the Trio of Tags die.
9. Add Tear and Tape to the back of a length of Granny Apple Green Texture Weave Ribbon. Then add it to the watercolor panel to create a gathered, ruffled look.
10. Add Tear and Tape to the back of a length of Bermuda Bay Mini Striped Ribbon. Then adhere it across the Granny Apple Green Ribbon.
11. Adhere the sentiment tag with Black Dimensionals.
12. Remove some of the top thread from the Woven Threads Trim and twist it to curl. Adhere it with Mini Glue Dots on either side of the sentiment.
13. Adhere the watercolor panel to the card base with Dimensionals.
