Tasteful Touches

Twisted Square Card Basics

1. Cut cardstock: 4" x 12" and score in landscape at 4", 8"
2. Align the top point of one end square and the bottom corner next to the score line in the track and score diagonally.
3. Cut a piece of designer paper to 3-3/4" x 3-3/4". Align 2 points in the track and cut diagonally.
4. In landscape fold the vertical score lines and burnish with your Bone Folder.
5. Fold each side back along its diagonal score line and burnish.
6. Adhere the designer paper triangles.

7. Cut a 1-1/2" x 8-1/2" piece of designer paper. Score at 4". Lay the card on the designer paper strip against the score line and wrap so that the overlap is in the front and the band just hugs the card. Adhere the band to itself with Multipurpose Glue.
8. Decorate the band. Products for this card listed below.
9. Assembly and directions for the card pictured above: video [HERE](#)
