### Directions:

1. Place 1 mat in your Paper Trimmer in Portrait with the right edge at 1/2" to the right of the track. Cut from 1/2" to 4-3/4". Repeat on the other long side.
2. Turn the Mat to Landscape and place the right edge at 3/8" to the right of the track and cut to connect the previous cut lines. Repeat for the other side.
3. Place 1 of the designer paper pieces to be matted in your Paper Trimmer in Portrait. Cut as in Step 1.
4. Look at your designer paper piece and decide which side will be the left when matted. With the designer paper in your Paper Trimmer in Landscape, place what will be the left side when matted at 3/8" to the right of the track and cut to connect the previous cut lines. **Do Not repeat on the other side.**
5. Score the interior section starting at the cut edge: 3/4", 1-1/2", 2-1/8"
6. Create a tab for the Pull and adhere it.
7. Adhere the designer paper to the Pull.
8. Adhere the Pull to the end of the designer paper in Step 4 using cellophane tape.
9. Adhere the pages and designer paper using Multipurpose Glue and decorate as desired.
